FINANCIAL ASSISTANCE. . .

No qualified student should be denied a college education because of a lack of financial resources. Shelton State Community College provides financial assistance to aid students and their families who are in need of help to pay educational costs.

Students who wish to apply for financial aid should complete the Free Application for Federal Student Aid (FAFSA). Applications are available from any Shelton State Community College campus, as well as from any high school counselor or public library. Apply early because it takes approximately six to eight weeks to get your information from the Federal Student Aid Processor. For applications and more information about financial aid, please contact the Financial Aid Office, 391-2218.

Shelton State Community College participates in the Federal Pell Grant Program, the Federal Supplemental Opportunity Grant (FSEOG) Program, the Federal Work-Study (FWS) Program, and the Alabama Student Assistance Program (ASAP). Priority for the "campus based" programs (FSEOG, FWS, ASAP) is given to students with the greatest financial need who apply early. Shelton States does not participate in any of the federal loan programs.

Financial aid is awarded on an academic year (two semesters) basis. Fall semester begins the financial aid year and summer ends it. Students who do not use the entire amount of their Federal Pell Grant during the academic year, may use the unused portion during the Summer semester. In most cases, part-time students are eligible for financial aid too. If you plan to attend part-time, please contact the Financial Aid office to determine your eligibility for funds.

Students must make satisfactory academic progress to receive financial assistance. The minimum standards of satisfactory progress is outlined in the college catalog.

Students who have been awarded financial aid are allowed to charge their costs at registration. Any balance will be returned to the student by check in the mail at approximately the midpoint of the semester. However, there is no residual returned in the case of scholarships.

Students who need assistance in completing the financial aid forms may visit our offices on the Skyland and C.A. Fredd campuses or may telephone us at 391-2218.

The maximum Pell Grant award at Shelton State and anywhere in the nation is \$2,300.00 per year (\$1,150.00 per semester), based on full-time attendance (12 hrs. or more). If the student enrolls for less than full-time he/she may or may not qualify for a prorated amount of Pell Grant funds.

Federal Work-Study is part-time employment on campus. Work-Study students work in all areas of the college for an average of 15 hours per week. Preference for employment is given to positions which involve community service work. In assigning students to specific positions, consideration is given to their college major, their job skills and financial need. Shelton States pays the federal minimum wage and payrolls are run at the end of each month. Students who are interested in Federal Work-Study should request an application for work-study from the Financial Aid Office.

Academic, leadership, athletic, and performance scholarships, veteran's assistance (both Federal and State), Vocational Rehabilitation, Job Training Partnership Act (JTPA), Trade Readjustment Act (TRA), and outside scholarships are also available. Additionally, the Senior Adult Scholarship program provides free tuition to any student who is 60 years of age or older. For more information concerning these and other programs, please contact the Financial Aid office at 391-2218.

Simply pick up an application form from the Admissions Office, complete it and return it to the college. An official transcript must be sent from your high school or a GED certificate must be given to the Admissions Office. Once your application is filed, you are provisionally admitted and need only to register for classes. Regardless of whether you are a new or transfer student, your transcript must be received by Mid-term or your course work will be converted to noncredit. All tuition and fees must be paid before you are officially registered. Tuition may be paid by cash, check, or credit card.

NOTES:

TRANSFER OF COURSES: College advisors are assigned to help you complete your schedule. However, it is your responsibility to make sure you have satisfied all course prerequisites and to determine who a course will be accepted at the senior institution where you plan to transfer.

PREREQUISITES: Before you enroll in a course, you must satisfy all prerequisites (including ASSET scores) of that course. If you enroll in a course where you have not fulfilled all prerequisites, you may not receive credit for that course.

CLASS CANCELLATIONS: Shelton State reserves the right to cancel any class. Should a cancellation occur, you must see a counselor or your advisor for necessary schedule adjustments.

STUDENT I.D. CARDS: An I.D. card will be issued at registration. These student activity cards are required to check out books from the library; be admitted to social, cultural, and athletic events; vote in student elections; and use for other occasions requiring identification.

ASSIGNMENT OF INSTRUCTORS: The assignment of instructors to classes listed in this schedule is tentative. The college reserves the right to change the instructor assigned to any class offered on this schedule.
